IN THE INDUSTRIAL TRIBUNAL GOA, DAMAN AND DIU, PANAJI GOA

(Before Dr. Renato de Noronha, Hon'ble Presiding Officer)

Reference No.: IT/30/85

Workmen

Rep. by The General Secretary All Goa General Employees' Union (C. I. T. U.)

— Party I

V/s.

M/s. Industrial Nacional de Telhas.

— Party II

Party II represented by Adv. G. K. Sardesai.

Panaji, Dated: 11-9-1985

REPORT

The Government of Goa, Daman and Diu, by its Order No. 28/27/85-ILD dated 20th May, 1983, has referred for the

adjudication by this Tribunal of an industrial dispute between the above parties. The schedule annexed to the order of reference reads as follows:

"Whether the demand of All Goa General Employees' Union (CITU), Vasco da Gama for payment of 20 p.c. bonus to the workmen employed by M/s. Industrial Nacional de Telhas, Sanvordem-Goa, for the accounting years 1980-81, 1981-82, 1982-83 is justified.

If not, to what relief the workmen are entitled to?"

2. Both the parties were duly served with notice to file their statements. On the date fixed only the employer's rep. remained present and filed their statement, in which he has stated in short, as follows:

As a preliminary objection, the demand for bonus according to him is to be rejected on the ground of laches. In any event, the minimum bonus of 8.33 p.c. has been accepted by the workmen and, therefore, they are estopped from raising any industrial dispute whatsoever. Without prejudice to this objection, he has stated that the employer is a partnership concern engaged in the manufacturing of Mangalore roofing tiles and has its factory at Sanvordem Goa. Party No. I is the representative Union employed by party II at its factory at Sanvordem. It is submitted that for the accounting year 1980-81 as there was no surplus, the Management was unable to pay more than the minimum bonus required under the Payment of Bonus Act 1965 hereinafter referred to as the Act, and they were given 8.33 p.c. by way of bonus which was distributed and accepted by the workmen. It was distributed in the month of November 1981 and the amount was accepted without any objection and without any demand being raised for higher bonus by the workmen or the Union representing them. Thereafter, for the accounting year 1981-82, the employer distributed minimum bonus of 8.33 p.c. as there was no sufficient surplus and the employer was unable to pay any more amount more than 8.33 p.c.. The workmen refused to accept it when it was offered to them. Thereafter the employer received a letter from Party I demanding 20 p.c. bonus for the year 1980-81 and 1981-82. This letter is dated 20-8-1982. For the accounting year 1982-83, as there was no allocable surplus, the Management distributed 8.33 p.c. again as minimum bonus. This amount was accepted by the workmen alongwith bonus for the accounting year 1981-82.

In view of the submission made above, the workmen/union are estopped from raising the demand for bonus for the accounting year 1980-81, 1981-82 and 1982-83 as the said amount has been accepted by the workmen.

It is submitted that no bonus more than the statutory bonus of 8.33 p.c. is payable to the workmen as the balance sheet and the calculation in accordance to the schedule and the rules framed thereunder indicate that there was no allocable surplus left to justify the payment of any bonus whatsoever to the workmen.

3. Party I did not file any statement nor did it remain present on the date fixed. The employer's rep. made a statement before the Court that since as per the schedule annexed to the order of reference, the issue was to be proved by the Union and since the Union had not filed any statement nor remained present, he would not lead any evidence on the said issue.

4. In view of the above, I am compelled to report that, in the absence of the Union who had to prove the issue and in view of the refusal of the employer to lead any evidence in this connection, I am unable to decide the reference in question. Hence, this report to the Government with a request to treat the said reference as disposed off.
